CEO's Greeting

Hello. My name is Kido, the CEO of CURIOUS WORLD ACADEMY. Our company started through "crowdfunding" with the support of the general public. We just started as a small online English school, and are now dealing with over 50 educational institutions and local governments thanks to the support of many people. And recently, we launched our Cebu face-to-face school. We would like to introduce the "CURIOUS WORLD", which is hidden all over the world, and bring smiles and happiness to people. Technology is evolving at a faster pace than ever before, and our lifestyles and the way of doing business will change a lot in the future. With our corporate identity of "bringing happiness and smiles to people through a borderless economy", we, CURIOUS WORLD, will continue to challenge thinking about "how we can contribute to the future."
